LUNE

This version focuses on creating a serene and pure spatial ambiance, using metaphors like "ice floe," "light," and "breath" to emphasize the emotional value and artistic beauty of the tiles.

CLAIRLIM

A silent dialogue between light and form.

Inspired by nature's most graceful blooms, each tile is a canvas of subtle ridges and soft contours.

The CAMELLIA series invites a closer look, promising not just a surface, but a sensation—a feeling of peace and refined beauty.

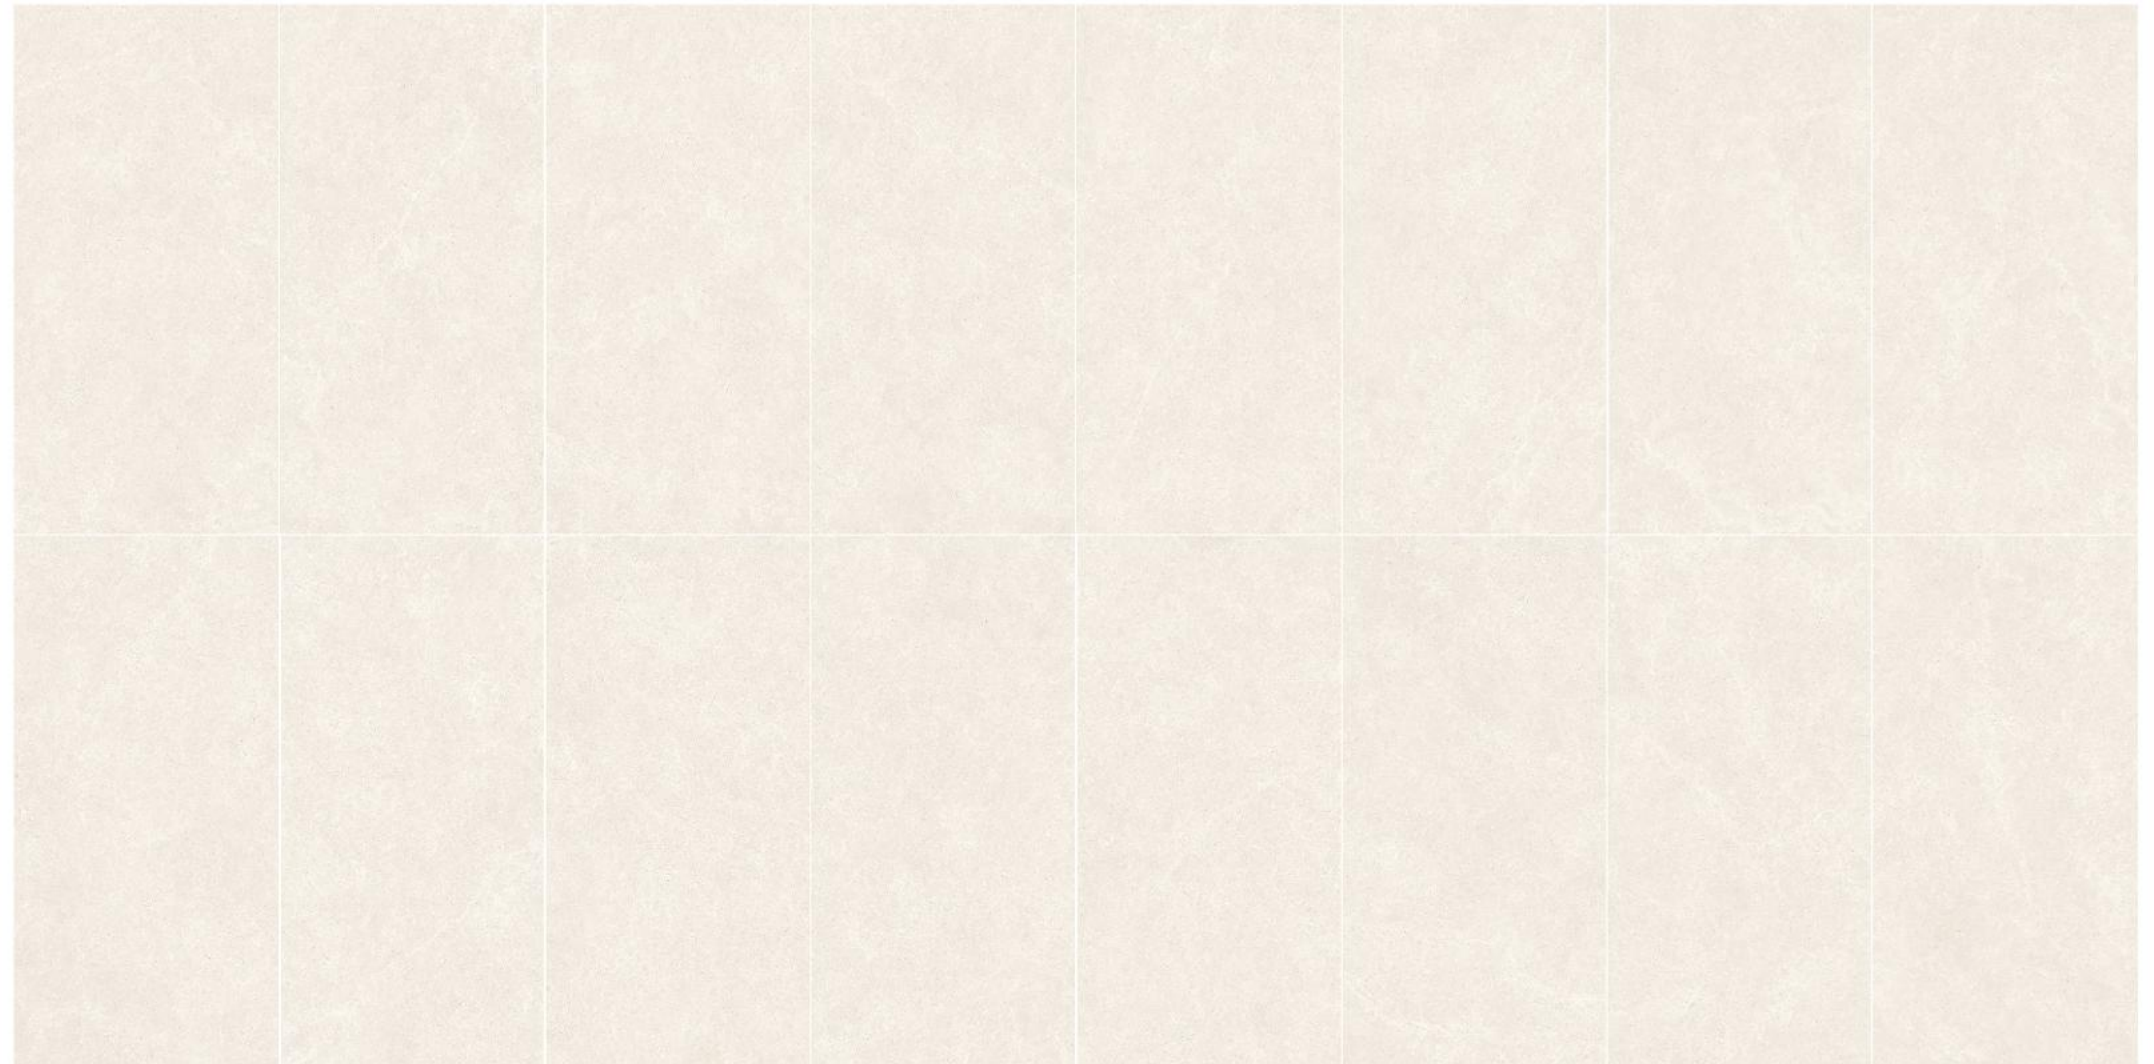

CLAIRLIM

Inspired by the delicate, flowing petals of the camellia flower, this series brings a whisper of organic elegance to your space. The CLAIRLIM tile collection features a softly textured, minimalist design that plays beautifully with light and shadow, creating a sense of serene depth and sophisticated calm.
